Quanta Health Product roadmap

Leadership review · 20 January 2027

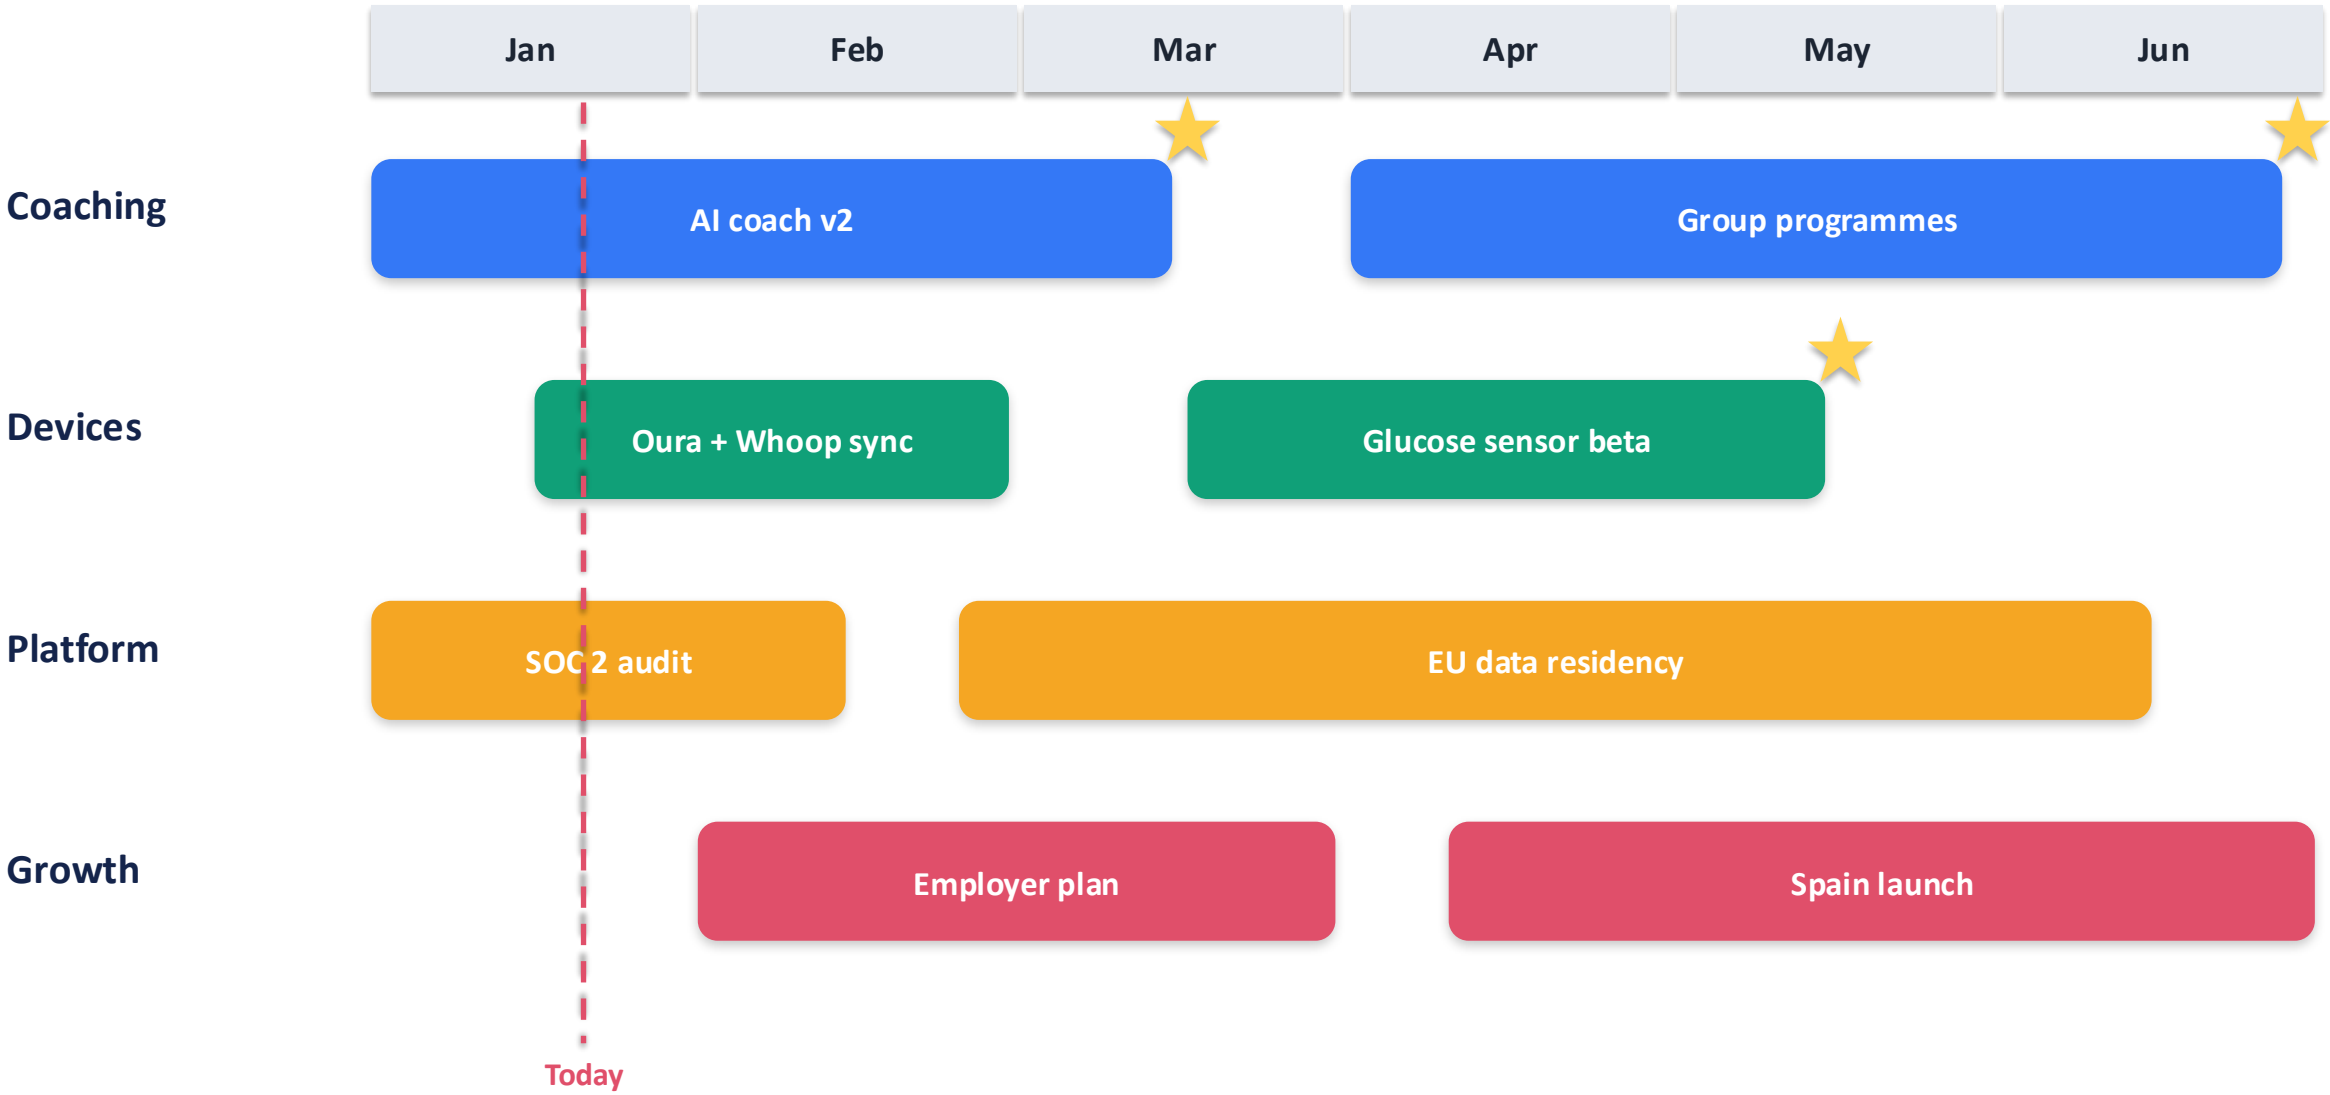

How a member moves through Quanta

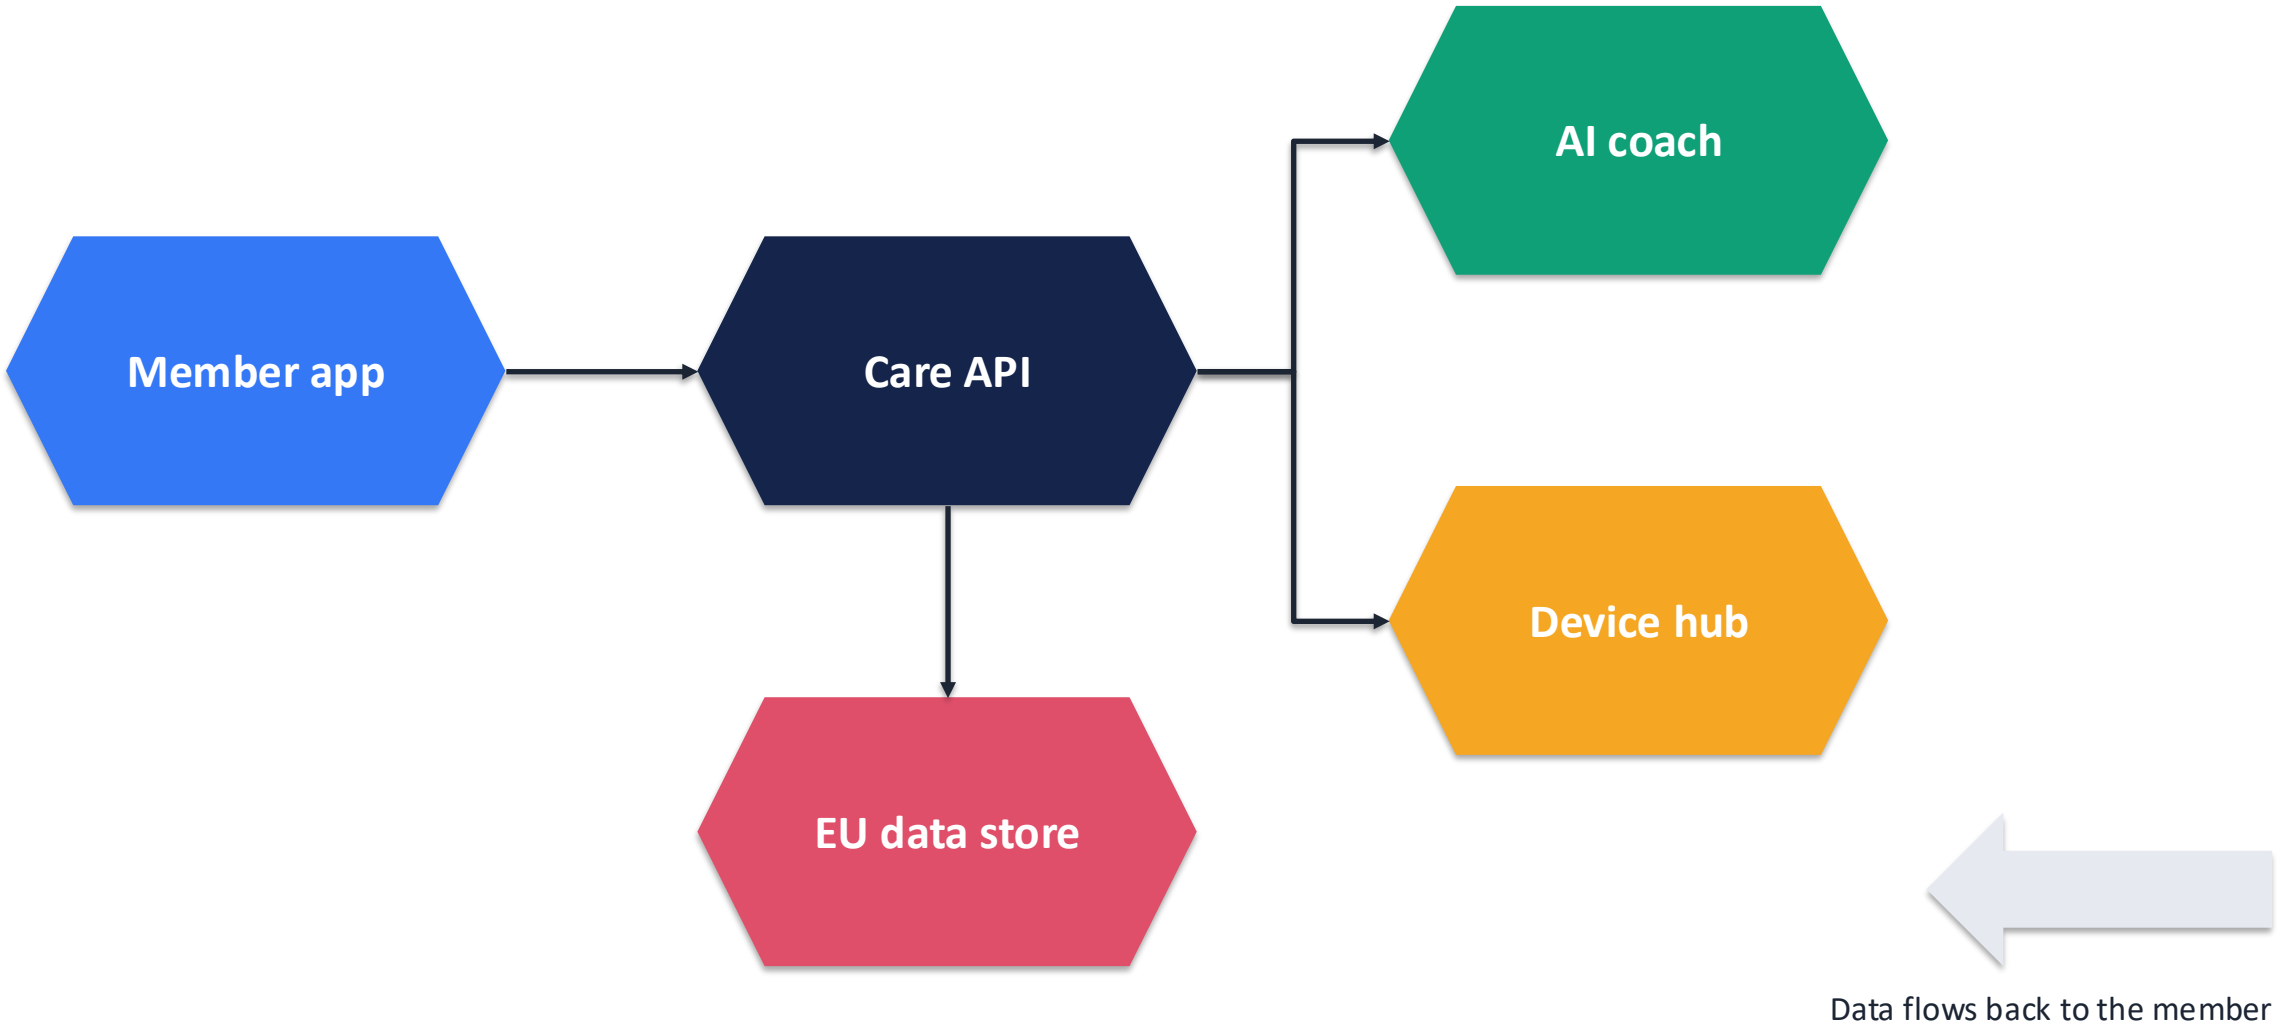

Join	Measure	Plan	Act	Renew
Onboarding quiz, 3 min	Wearable + lab sync	Coach builds a 12-week plan	Daily nudges and check-ins	Quarterly review

Retention is decided in step 4: members who answer 5 nudges in week one stay 3× longer.

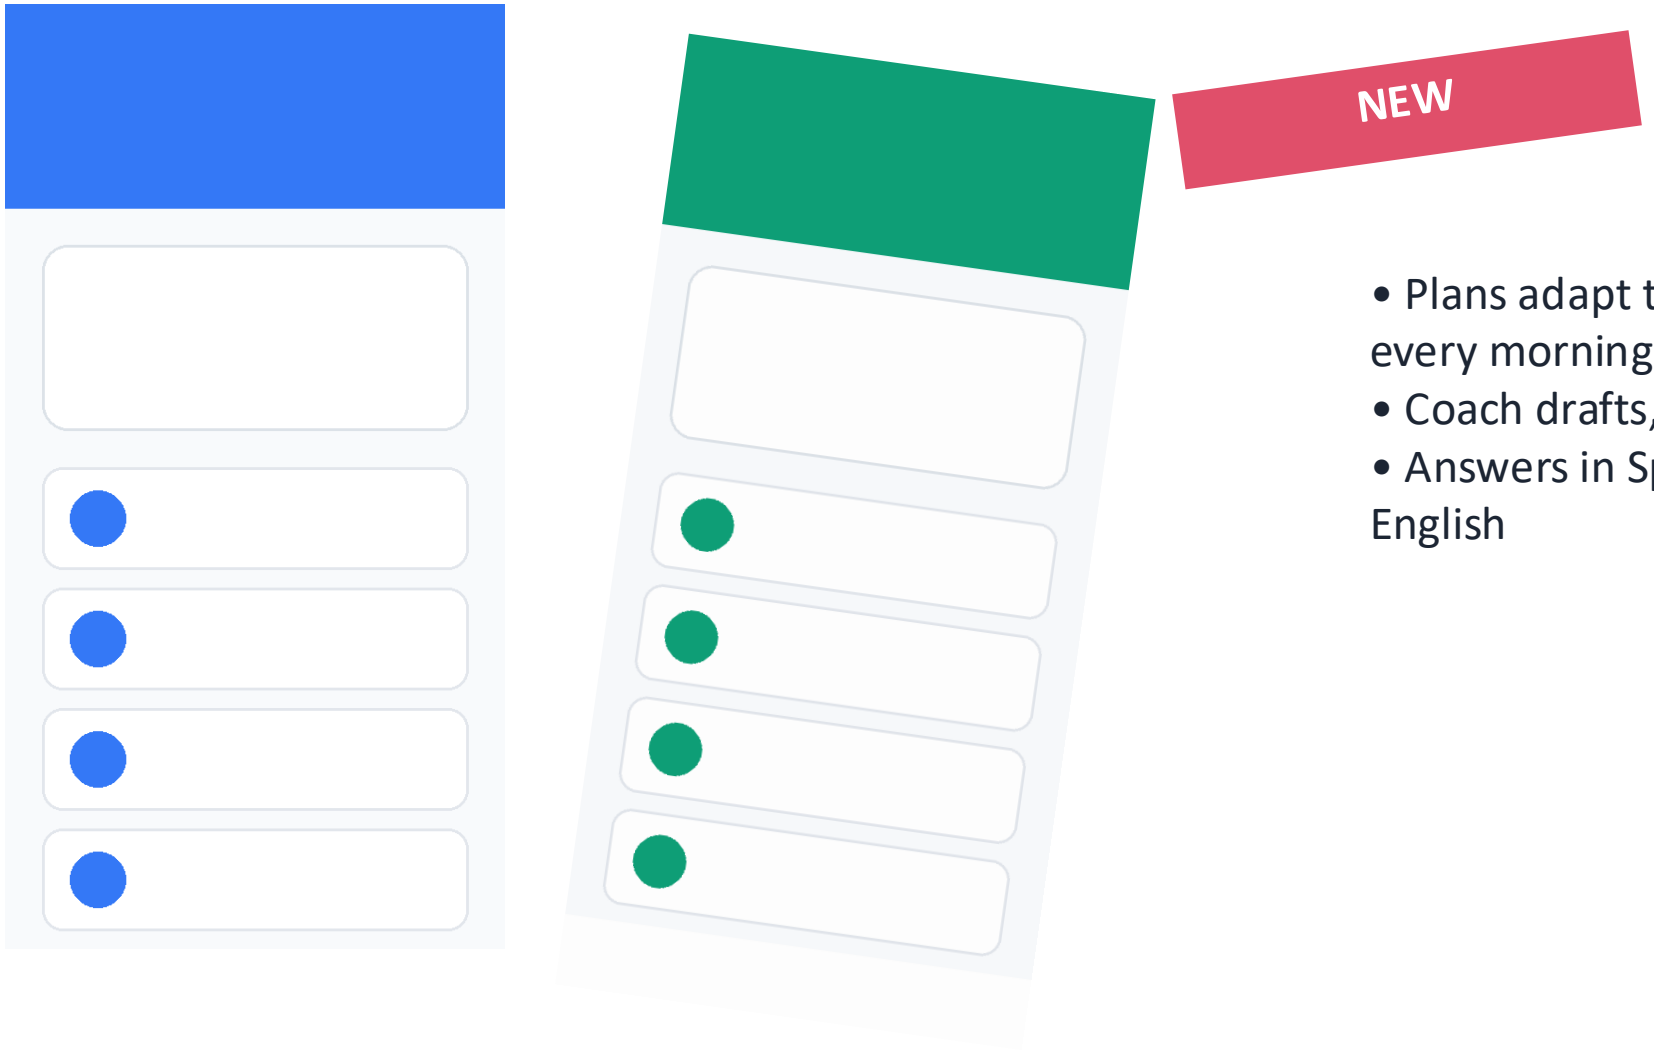

H1 2027 roadmap

What changes in the platform

AI coach v2, first look

- Plans adapt to sleep and glucose data every morning
- Coach drafts, human coach approves
- Answers in Spanish, Portuguese and English

Risks we are watching

Regulation

EU AI Act: coach advice may count as high-risk

Data

Residency must ship before the Spain launch

Supply

Glucose sensors capped at 2,000 units in H1

Owner for all three: Marta Silva, COO
